How to Participate

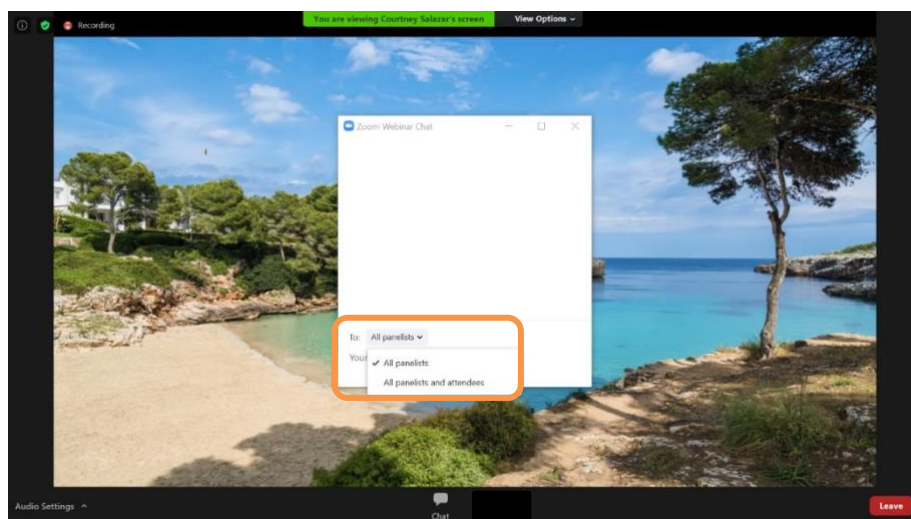

This year's Camp Promethean has a road trip theme! We encourage you to embrace a road trip vibe and tweet us [@LearnPromethean](#) with [#CampPromethean21](#).

1. We want to hear from you! You will be automatically muted, but we encourage you to post questions by using the **Chat** button, located at the bottom of the window.

2. Within the Chat window, select the **dropdown** to choose your audience. We recommend asking your question to **All panelists and attendees** so that others may see your question and benefit from the answer you receive.

- Responses to your questions will briefly appear at the bottom of your screen, and a little red notification will remain on your Chat button until you select it once more.

Additional Information

- There will be a Twitter contest during Camp Promethean! Tweet what you are learning and excited by throughout the session and/or day for a chance to win a prize! Be sure to tag us **@LearnPromethean** and use the hashtag **#CampPromethean21**.
- Toward the end of the webinar, your Presenter will supply you with a task designed to help you practice what you have just learned and/or create a resource to use in your classroom. The Presenter and Host will stay on the line to answer your questions.
- Within a week of Camp Promethean, we will send you a follow-up email containing your digital badge, certificate(s) of attendance, and a link to a short, anonymous survey. Please take a moment to let us know about your experience. We appreciate your attendance and feedback!
